Absolutely! I am happy to meet. I am expecting to be hard at work right up to the holiday so Jane can definitely find us a time.

Alex-

I hope you are doing well. I'm sure you are very busy with the confirmation and other activities.

I was wondering whether we could meet sometime in the middle of or late December. I will be out most of the first week of the month but around the rest of the month. I wanted to talk about some of NEWMOA's PFAS efforts and our work on other toxics issues among other things. I could also come over to meet over lunch if that would work for you.

Let me know if you have a few minutes to meet.

Happy Thanksgiving!
